As a Front End Developer with 1 year of experience, I am continuously improving my skills in building responsive and user-friendly web applications. I have exposure to React, including component-based development, basic state management, and REST API integration. I am still developing my knowledge in translating UI/UX designs into clean code, performance optimization, and cross-browser compatibility. I also work with version control and debugging tools while learning best practices in modern development workflows and collaboration with cross-functional teams.

SKILLED

Programming & Styling

- HTML, JavaScript, TypeScript, Bootstrap, CSS, React.Js,

Automation & Development Tools

- Power Automate, VS Code, Visual Studio, Automation Studio. Share Point, Restful APIs

Reporting & Analytics

- Power BI, Excel, PowerPoint, Blank Diagram.

Design & Creative Tools

- Adobe Photoshop, Illustrator, Figma, Canva.

Workflow Management

- Jira, Microsoft Teams, Azure.

Testing & Version Control

- GitHub, Postman.

Database Management

- MySQL.

WORK EXPERIENCE

Accenture

2021 - 2023

Front End Developer

- Developed and launched responsive web platforms using React and Tailwind CSS, ensuring cross-browser compatibility and mobile-first design.
- Integrated RESTful APIs and WebSockets to create real-time data dashboards for Achievement Board System
- Improved web accessibility (WCAG 2.1) across the main product suite, increasing the potential user base for low-vision users.
- Optimized application performance by implementing code-splitting, lazy loading, and memoization techniques.

Jiangnan

2019 - 2021

Graphic Design

- Designed marketing materials including social media graphics, banners, posters, and digital ads
- Created brand-aligned visuals to support campaigns and promotions
- Collaborated with marketing and development teams to ensure design consistency
- Improved visual quality and engagement through modern layouts and typography
- Managed multiple design projects while meeting deadlines

EDUCATION

Philippine Christian University

2013 - 2018

- Bachelor of Science in Information Technology
